  - e. Stationary, masks, sanitizer
  - f. Swar Jwarhar Kadha, Shubhra Capsules
4. Interactive Lectures from doctors and experts
5. Hands on training with medical instruments
6. Participation Certificate after the completion of program
7. Post- course consultation

#### **About Gandhi Vidya Mandir**

GVM was founded in 1950, on a 1200- acre piece of land, on one of the harshest and most backward terrains. Acutely prone to droughts, heat and cold waves, epidemics and other travesties of nature, GVM has striven to alleviate the acute backwardness through various permanent and adhoc programmes of education, culture, livelihood, health and hygiene, vocations etc. GVM was the vision of Shri Kanhaiyalal Dugar who later embraced sanyas and came to be known as Swami Shri Ramsharanji, an embodiment of universal humanism. He, with

the blood and sweat of many devoted social workers, philanthropists, students and staff, created this epitome of emulative excellence in human endeavour. Shri Dugar dedicated his entire life and all his personal wealth to the cause of education and upliftment of the down-trodden. GVM was conceptualized and nurtured as a University. The studies in education started in 1953, through its basic Teacher's Training College. The degree courses started in 1956, postgraduate in 1958 and the facility for Ph.D was added in 1968. 'The Institute of Advanced Studies in Education' came into being under the Centrally Sponsored Scheme of Education in 1993. GVM boasts over 10,000 resident / non-resident students, from pre-primary to Ph.D. level. There is a separate multi-faculty colleges for girls and co-educational colleges in Ayurved, Life Sciences, IT and

Management Engineering, Art, Science and Commerce There are well-planned hostel (A.C./Air-cooled also) for 2000 students, separate for boys and girls, amidst a self-contained colony of academicians. The sprawling 1200 acres university campus is a verdant oasis in the lap of an intense desert. It is dotted by large parks, gardens, playgrounds, auditoria, cultural and spiritual centers.

Gandhi Vidya Mandir (GVM) is nestled like an oasis in the Thar Desert, near the town of Sardarshahr in India's north-western state of Rajasthan. It is about 300 km west of Delhi, 125 km east of Bikaner and 230 km north of Jaipur (connected by rail and road). GVM has its own triad of helipads.

### **About Sri Bhanwar Lal Dugar Ayurved Vishwabharti**

Shri Bhanwarlal Dugar (SBLD) Ayurveda Vishwa Bharti is the oldest and the most premier reputed Ayurveda College in Rajasthan. It was inaugurated in 1955 by Dr. Rajendra Prasad, the

first President of India. It is affiliated to Dr Sarvapalli Radhakrishnan Ayurveda University, Jodhpur and is recognized by Central Council of Indian Medicine, Delhi. It was founded by Late Shri Bhanwarlal Dugar one of the great exponent of Ayurveda. The college nourishes academic practice and churns out best results with university rank holder almost every year. Beside this the institute provides good exposure to clinical knowledge through its well equipped medical and paramedical wings. Every year students from this college are selected for various competitive exams and are well placed in the society with dignity. Our college has well qualified and highly

experienced staff in all the 14 departments of UG course as per norms of CCIM. In near future college is planning to run Post Graduate courses in certain subjects for further higher study and research in the field of Ayurveda.

Hospital has 6 OPDs in different branches of ayurveda which provide outpatient consultation. Apart from the routine OPD, hospital runs special clinics like Ano Rectal Clinic, Asthma Clinic, Geriatric Clinic, Physiotherapy and Yoga and Nature cure. The average OPD attendance is 6500 patients/ month. SBLD AVB possesses 100 bed IPD which has both general and special wards that makes it accessible for patients of all economic background. In a month around 1600 patients are admitted in the hospital with various ailments. Other facilities include: 24x 7 Emergency care unit, OT, MOT, LT and ambulance facility. Panchkarma Centre attached to hospital is equipped with traditional and modern apparatus and special cottage wards which is run under the supervision of qualified and experienced team of Doctors, Therapists and Paramedical staff. Hospital is expanding its clinical wings to provide best health care facilities in Sardarshahar by developing an allopathic maternity hospital which is the need of the hour.

#### **Work done in Covid-19 Pandemic:**

Hospital is working day and night to fight against Covid-19. During the 1<sup>st</sup> wave 12000 individuals were quarantined and 1500 mild- moderate cases were treated in SBLD AVB Hospital. The institute provided free food, shelter and services to the affected. GVM and SBLD distributed free Swarjwarhar Churna Kadha (immunity-booster remedy) to lakhs of people throughout India and in Maha Kumbh, Haridwar. In this 2<sup>nd</sup> wave we are working at an operational cost which makes us accessible to the patients of every socio-economic background. We are now also equipped with oxygen plant and bed to bed oxygen pipelines at the Covid center.
